A SMOKEY MOUNTAIN TRADITION

A River Romp afternoon is a great way to relax and keep cool on a hot summer day. A float down our scenic river is a wonderful way to experience the beauty of the "seldom seen" side of the Smokies. Each trip takes approximately two hours. Afterwards we shuttle you back to "the Barn" where you can: picnic, play or even enjoy another float down our river at **NO ADDITIONAL CHARGE**. That is a full day of fun and adventure for the entire family.
