A SMOKEY MOUNTAIN TRADITION

The only Tubing Outfit in Sevier County, a River Romp afternoon is a great way to relax and keep cool on a hot summer day. This lazy day float, down a scenic river, is a wonderful way to experience the beauty of the "seldom seen" side of the Smokies. Each trip takes approximately two hours, afterwards we will shuttle you back to "The Barn" where you can, at your own option, picnic on our grounds, fish, or take another ride down river at NO ADDITIONAL CHARGE. That is a full day of fun and adventure for the entire family.
