Located near Pigeon Forge, Gatlinburg and Townsend, THE PIGEON RIVER is the perfect, white water trip for families and youth groups visiting the Smokies.

The upper Pigeon is an exciting Class IV run of the river and suitable for ages 8 and up. The lower Pigeon is a gentle, low-risk, white water introduction for 4 years and up.

Both upper and lower trips are run with a qualified, trained guide in each self-bailing raft.

Dam-controlled water release days are Tues., Wed., Thurs., and Saturday. Trip times start at 10:30 am. Non-release days are run in Thrillkats™ on the Upper Pigeon. (minimum age 15) Have a blast maneuvering your own single-man boat.

USA Raft is in the historic Hartford school building with large, clean facilities and hot showers, plenty of parking, shaded picnic areas and a popular, trendy gift shop.
